

PRIME MINISTER • PREMIER MINISTRE

April 8—14, 2017

Dear Friends:

I am pleased to extend my warmest greetings to everyone celebrating National Dental Hygienists Week.

This week provides an opportunity to recognize the important contributions of dental hygienists to the well-being of Canadians. Dental hygienists work as part of a team to help ensure that their patients take the necessary steps to maintain oral health, such as brushing, flossing and receiving professional care regularly.

I would like to commend the members of the Canadian Dental Hygienists Association for promoting the benefits of proper oral care and for helping Canadians to lead happier, healthier lives. You can be assured that your advocacy and professionalism are deeply appreciated.

Please accept my best wishes for a memorable week of activities.

Sincerely,

The Rt. Hon. Justin P.J. Trudeau, P.C., M.P.
Prime Minister of Canada
