

Since 1963, CDHA has been inspired by the strength, passion, and dedication of our members to move the profession forward. Board directors, staff, and volunteers are committed to...

Shaping public policy to advance the dental hygiene profession and improve the health of Canadians.

Supporting dental hygienists as integral members of the health care team, helping them to build and sustain healthy and respectful workplaces, and to make informed practice decisions during the pandemic and beyond.

Helping to build a body of professional knowledge and research.

Promoting the value of professional dental hygiene care to the public.

Developing the profession's leaders for today and tomorrow.
