**Friday, September 30**

7:30 to 8:30 am	<b>Registration &amp; Breakfast</b> sponsored by 
8:30 to 9:00 am	<b>Introduction &amp; Welcome</b> Wendy Stewart, RDH, CDHA President   Regional Chief Kluane Adamek, Assembly of First Nations, Yukon Region
9:00 to 10:30 am	<b>Keynote Address</b> sponsored by <b>PHILIPS</b> <b>The Weight of Reconciliation in Canada</b> Presented by Rose LeMay, CFNHM Chief Executive Officer, The Indigenous Reconciliation Group When media started to report on the discovery of unmarked graves of Indigenous children at the sites of former residential schools, Canada turned the page to a new chapter in the era of reconciliation. There is now a palpable weight and responsibility to understand enough of the past to be an effective change agent for the future. It starts in the dental hygiene chair but doesn't end there. It's time for sector leaders to use their influence as allies and be a part of the change for reconciliation.
10:30 to 11:00 am	<b>Nutrition Break</b> sponsored by 
11:00 am to 12:30 pm	<b>Intensive Outpatient Addiction Programs: The Future of Recovery?</b> sponsored by   Presented by Robert Tanguay, BSc (Hons), MD, FRCPC, CISAM, CCSAM Chief Medical Officer, The Newly Institute Dental hygienists are in a position to assess clients for drug use and mental health issues and can make referrals to appropriate health care professionals. This presentation will review the impact of addiction and how intensive outpatient addiction programs are an important fixture in a recovery-oriented system of care (ROSC). Concurrent disorders programs for individuals with mental health conditions and addiction are the gold standard. Trauma and PTSD are often comorbid with addiction. Treatment options for recovery from addiction and mental health and ways to enhance a ROSC will be explored.
12:30 to 1:30 pm	<b>Lunch</b> sponsored by 
1:30 to 2:30 pm	<b>Update from the Office of the Chief Dental Officer of Canada</b> Presented by Lisette Dufour, RDH Senior Oral Health Advisor, Office of the Chief Dental Officer of Canada/Public Health Agency of Canada This presentation will provide an update on current national oral health activities of the Office of the Chief Dental Officer of Canada, located at the Public Health Agency of Canada. You will learn about the Canadian Oral Health Screening Tool for Seniors, Cycle 7 of the Canadian Health Measures Survey (CHMS) now underway, and the federal government's proposed national dental care program for low-income Canadians.
2:30 to 3:00 pm	<b>Nutrition Break</b> sponsored by
