Dear member,

NACI Interim guidance on booster COVID-19 vaccine doses in Canada

The National Advisory Committee on Immunization (NACI) has released their [recommendations](#) on COVID-19 vaccine booster doses. The document outlines the methods used to arrive at their recommendations, information on immunogenicity, safety, and effectiveness, as well as information on ethics, equity, feasibility, and acceptability.

Incidence of COVID-19 among Canadian dentists

A cohort study was completed to estimate the incidence of COVID-19 cases among Canadian dentists over a six-month period (July 2020 to February 2021). The [results](#) of the study showed there was a low infection rate, which is reassuring to those in the dental community and the public.
