

## Shivvon Hayles, RDH

Shivvon Hayles has been in the dental field for over 10 years. She started her career as a dental technician, then became a dental assistant, and is now practising as a dental hygienist. Shivvon is currently taking pre-dental courses to apply for dental school. She has a beautiful daughter who means the world to her, and together, they moved from Winnipeg to Toronto when Shivvon made the decision to pursue dental hygiene. Shivvon has a HUGE heart for humanity. She enjoys contributing to her local community and travels to Haiti on volunteer medical/dental mission trips. Her dream is to start her own charity one day.
