

## Tania Makani, Mississauga, Ontario

Tania is the best dental professional I've ever come across. She is an amazing hygienist and a great inspiration to everyone! She is caring, gentle, and precise and she makes the dental visits for my family so easy. My kids no longer resist dental cleaning appointments. Tania never seems to rush and has explained to the kids about proper oral care. We also love her YouTube channel 'Teeth Talk with Tanya' where she gives oral hygiene advice. She really cares about all of her patients as though they are her own family! She has the biggest heart! She has been volunteering her time to offer free dental treatment to those who cannot afford it. She was also volunteered her time as a board member for the Gift from the Heart charity. She has also given her time to represent Canada at the ISDH Leadership conference in Australia. Lastly, she also makes calls to senior members of her community to check on their well-being. It's a pleasure to have Tania as my Dental Hygienist who is ever smiling, warm, caring and loving, professional and spreads love everywhere she goes.
