# CDHA STUDENT LEADER SPOTLIGHT

CDHA student leaders are selected each year to serve as representatives for each accredited dental hygiene program in Canada, and each one receives a bursary courtesy of Colgate. These students develop their leadership skills and help shape the future of the profession. Let's take a closer look at one of our amazing trailblazers!

## Chloé Carrière La Cité

**Q** *Tell us about yourself.*

**A** I am a French-Canadian student at La Cité in Ottawa. I love learning new things such as new languages, sports, and cultures!

**Q** *What are your hobbies and interests?*

**A** I did horseback riding for most of my youth and worked on a ranch for three years. I still enjoy riding when I have time. I also enjoy walking in the forest, playing board games, spending time with my friends, and eating chocolate!

**Q** *Why did you decide to enroll in a dental hygiene program?*

**A** I was always interested in health care and helping other people be healthy. When I decided to go back to school, I discovered dental hygiene. I found that it was a perfect job to help people in addition to being a well-paying career with a very flexible schedule. I chose La Cité because it is one of only two French colleges in Ontario. I think it's essential for French-speaking Ontarians to be able to study in French in their own province.

**Q** *What place would you like to visit?*

**A** The Yukon would be the next place on my list.

**Q** *What is your favourite food?*

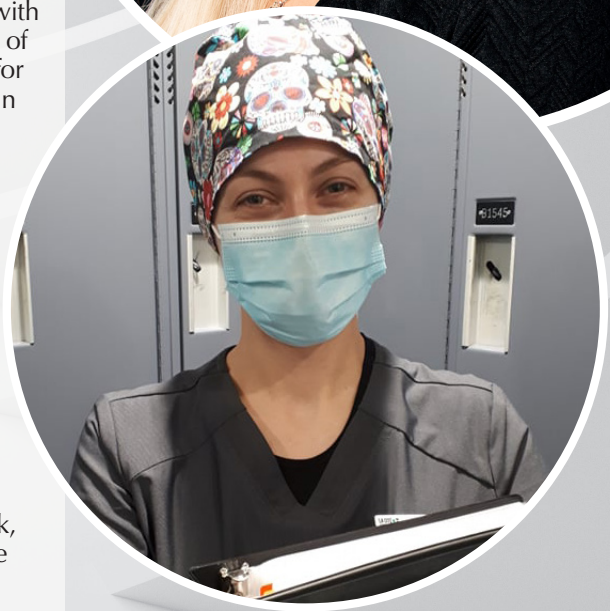

**A** Spaghetti and chocolate

**Q** *What is your favourite movie?*

**A** Any movie with Jennifer Aniston

**Q** *What makes you smile?*

**A** Small things like a nice sunny day or finishing homework, spending time with the people I love, taking a nap in the afternoon or finding money in my pockets.
