CDHA STUDENT LEADER SPOTLIGHT

presented by

CDHA student leaders are selected each year to serve as representatives for each accredited dental hygiene program in Canada, and each one receives a bursary courtesy of Colgate. These students develop their leadership skills and help shape the future of the profession. Let's take a closer look at one of our amazing trailblazers!

Gabriel Ramos University of Manitoba

Q *Tell us about yourself.*

A In my free time, I enjoy sewing, tailoring, and giving old clothes a new life. I'm fascinated by true crime and can easily spend hours watching documentaries or listening to crime-related stories. I also love getting lost in a good book, especially mysteries, romances, and dramas.

Q *What is one thing that most people wouldn't know about you?*

A I'm a bit of a hoarder when it comes to small items. I love collecting little things and holding onto them "just in case" I might need them one day, even though I rarely end up using them.

Q *What places would you like to visit?*

A Tokyo, Paris, Bora-Bora, Bangkok, and Seoul, South Korea.

Q *What is your favourite band/musician?*

A Ariana Grande

Q *What is your favourite movie?*

A Mean Girls

Q *What makes you smile?*

A Quality time with family and friends.

Q *Why did you decide to enroll in a dental hygiene program?*

A I chose to pursue dental hygiene because I'm passionate about helping others and making a positive impact. It allows me to combine my interest in health care with promoting oral health, preventing disease, and educating patients.
