

Home Staging in Canada: The Numbers Speak

HOME STAGING IS A VIABLE OPTION WHEN SELLING YOUR HOME!

Imagine walking into a home that tells a story, that buyers instantly envision their future life. It goes beyond decluttering; its about creating an emotional connection that can significantly impact your sale price and time on the market.

Research has shown:

- A potential increase in offers of 25%
- A potential sale price increase of 6-10%
- Reduced time on the market of 3-14 days
- Buyer preference for move-in ready homes :75%
- Average staging investment of \$400-\$1500+ depending on your market.

When you are preparing to sell your home, we recommend you visit our website at <https://all-purposerealty.com/nait/> to view property values in your current and desired neighbourhood.

Learn more about cashback rewards available on your home sale and/or purchase worth thousand of dollars.
