

Attention Independent Practice Dental Hygienists: TELUS Provider Registry for Direct Deposit

As of July 19, 2015, **TELUS Provider Registry** is offering dental hygienists the opportunity to sign up for direct deposit through secure email. This option is available to all CDHA-ACHDnet™ users. Not only will you receive payment faster, but the bulk payment will be directly deposited into your office bank account and will include reimbursement for **all dental hygienist providers** who practise in your office. You will also receive an electronic statement (view samples from [Great West Life here](#)). This service will streamline payment to your office and eliminate the need for part-time dental hygiene contractors to endorse insurance cheques.

To register your dental hygiene office, follow these instructions.

Step 2: Click on the Register button.
